UNDER THE SHARE OPTION SCHEME**
- (3) RE-ELECTION OF DIRECTORS**
- (4) NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The primary purposes of this circular are to provide you with information regarding the resolutions to be proposed at the Annual General Meeting and to give you notice of the Annual General Meeting. Resolutions to be proposed at the Annual General Meeting include: (a) ordinary resolutions relating to the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate; (b) an ordinary resolution relating to the proposed refreshment of the Existing Scheme Limit; and (c) ordinary resolutions relating to the re-election of the retiring Directors.

LETTER FROM THE BOARD

Pursuant to the Listing Rules, the Company is required to provide you with information reasonably necessary to enable you to make an informed decision as to whether to vote for or against the resolutions to be proposed at the Annual General Meeting. This circular is also prepared for such purpose.

2. GRANT OF ISSUE MANDATE

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given the Issue Mandate, i.e. a general and unconditional mandate to allot, issue or otherwise deal with new Shares of up to 20% of the aggregate nominal share capital of the Company in issue as at the date of passing of the relevant resolution. As at the Latest Practicable Date, a total of 866,976,000 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company for the period from the Latest Practicable Date up to and including the date of the Annual General Meeting, the Company will be allowed under the Issue Mandate to issue a maximum of 173,395,200 Shares, representing 20% of the Shares in issue as at the Latest Practicable Date.

3. REPURCHASE MANDATE AND EXTENSION MANDATE

At the Annual General Meeting, an ordinary resolution will also be proposed to give the Directors the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange or on any other stock exchange on which the Shares may be listed, shares of up to a maximum of 10% of the aggregate nominal share capital of the Company in issue as at the date of passing of the relevant resolution.

In addition, an ordinary resolution regarding the Extension Mandate will be proposed at the Annual General Meeting providing that any shares repurchased under the Repurchase Mandate (up to a maximum of 10% of the nominal value of the issued shares as at the date of the grant of the Repurchase Mandate) will be added to the total number of shares which may be allotted and issued under the Issue Mandate.

Each of the Issue Mandate and the Repurchase Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the end of the period within which the Company is required by the Companies Law or the Articles to hold its next annual general meeting; or (c) when revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

Under the Listing Rules, the Company is required to give to all Shareholders all information which is reasonably necessary to enable Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the Annual General Meeting. An explanatory statement for such purpose is set out in Appendix I to this circular.

LETTER FROM THE BOARD

4. SHARE OPTION SCHEME – REFRESHMENT OF EXISTING SCHEME LIMIT

Pursuant to the written resolution of all Shareholders of the Company passed on 20 January 2002, the Share Option Scheme was adopted. The purpose of the Share Option Scheme is to provide Participants with the opportunity to acquire equity interests in the Company and to encourage Participants to work towards enhancing the value of the Company and its Shares for the benefit of the Company and the Shareholders as a whole.

Pursuant to Chapter 17 of the Listing Rules, the total number of securities which may be issued upon exercise of all options to be granted under a share option scheme and any other schemes of a listed issuer must not in aggregate exceed 10% of the relevant class of securities of the listed issuer in issue as at the date of approval of the scheme. The listed issuer may seek approval by its shareholders in general meeting for “refreshing” the 10% limit under the scheme. However, the total number of securities which may be issued upon exercise of all options to be granted under all of the schemes of the listed issuer under the limit as “refreshed” must not exceed 10% of the relevant class of securities in issue as at the date of approval of the refreshed limit. Options previously granted under the schemes (including those outstanding, cancelled, lapsed in accordance with the scheme or exercised options) will not be counted for the purpose of calculating the limit as “refreshed”. The Listing Rules also provide that the limit on the number of securities which may be issued upon exercise of all outstanding options granted and yet to be exercised under the scheme and any other schemes must not exceed 30% of the relevant class of securities of the listed issuer in issue from time to time.

The 10% scheme limit as at the date of adoption of the Share Option Scheme was refreshed at the annual general meeting of the Company held on 15 December 2006 where the Existing Scheme Limit was approved. Pursuant to the Existing Scheme Limit, the Directors may grant options not exceeding 85,502,500 Shares, representing 10% of the issued share capital of the Company as at 15 December 2006. As at the Latest Practicable Date, options carrying the rights to subscribe for 85,500,000 Shares (representing approximately 99.997% of the Existing Scheme Limit) have been granted to the Participants. None of such options have been exercised and none of such options have lapsed. As at the Latest Practicable Date, 85,500,000 options remained outstanding. Accordingly, the Directors can only grant further options carrying the rights to subscribe for 2,500 Shares (representing approximately 0.003% of the Existing Scheme Limit) under the Existing Scheme Limit.

The Directors consider that the Company should refresh the Existing Scheme Limit so that the Company could have more flexibility to provide incentives to the Participants by way of granting share options to them. If the refreshment of the Existing Scheme Limit is approved at the Annual General Meeting, based on the 866,976,000 Shares in issue as at the Latest Practicable Date and assuming that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, the Company will be allowed under the “refreshed limit” to grant options carrying the rights to subscribe for up to a total of 86,697,600 Shares, representing 10% of the issued share capital of the Company as at the Annual General Meeting.

LETTER FROM THE BOARD

Apart from the Share Option Scheme, the Company has no other share option scheme currently in force. The following table shows the details of the share options granted/exercised/lapsed/outstanding under the Share Option Scheme up to the Latest Practicable Date:

Class of participants	Number of options granted	Number of options exercised	Number of options lapsed	Number of outstanding options
Directors	36,100,000	0	0	36,100,000
Employees of the Group	<u>49,400,000</u>	<u>0</u>	<u>0</u>	<u>49,400,000</u>
Total	<u>85,500,000</u>	<u>0</u>	<u>0</u>	<u>85,500,000</u>

None of the grantees has been granted with options which exceed the limit of 1% of the issued share capital of the Company in the 12 months period up to and including the respective dates of grant as set out in Rule 17.03(4) of the Listing Rules.

If the refreshment of the Existing Scheme Limit is approved at the Annual General Meeting, the existing outstanding options of the Company and the options to be granted under the “refreshed limit” will not exceed 30% of the issued share capital of the Company.

The Directors consider that the refreshment of the Existing Scheme Limit is in the interests of the Group and the Shareholders as a whole because it enables the Company to reward and motivate its employees and other Participants under the Share Option Scheme.

The refreshment of the Existing Scheme Limit is conditional upon:

- (i) the passing of an ordinary resolution at the Annual General Meeting to approve the said refreshment; and
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in any new Shares which may fall to be allotted and issued upon the exercise of the subscription rights attaching to the options that may be granted under the refreshed limit of the Share Option Scheme up to 10% of the issued share capital of the Company as at the date of passing of the relevant ordinary resolution at the Annual General Meeting.

Application will be made to the Listing Committee of the Stock Exchange for granting the listing of, and permission to deal in any new Shares which may fall to be allotted and issued upon the exercise of the subscription rights attaching to the options that may be granted under the refreshed limit of the Share Option Scheme up to 10% of the issued share capital of the Company as at the date of passing of the relevant ordinary resolution at the Annual General Meeting.

LETTER FROM THE BOARD

5. ACTIONS TO BE TAKEN

Set out on pages 17 to 22 of this circular is the AGM Notice. At the Annual General Meeting, resolutions will be proposed to approve, among other matters, the following:

- (a) the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate;
- (b) the refreshment of the Existing Scheme Limit; and
- (c) the re-election of Directors.

You will find enclosed with this circular a form of proxy for use at the Annual General Meeting. Whether or not you are able to attend the Annual General Meeting in person, you are requested to complete and return the form of proxy in accordance with the instructions printed thereon as soon as possible and, in any event no later than 48 hours before the time for the Annual General Meeting or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting or any adjournment thereof should you so wish.

6. RECOMMENDATION

The Directors believe that the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the refreshment of the Existing Scheme Limit are in the best interests of the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per share and will only be made when the Directors believe that such repurchases of shares will benefit the Company and the Shareholders.

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 July 2007, being the date of its latest audited consolidated accounts. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

Accordingly, the Directors recommend that all Shareholders should vote in favour of the ordinary resolutions approving the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the ordinary resolution approving the refreshment of the Existing Scheme Limit at the Annual General Meeting.

LETTER FROM THE BOARD

7. RE-ELECTION OF DIRECTORS

In accordance with Article 108(A) of the Articles, Mr. Diong Tai Pew, Mr. Cheung Kwan Hung, Anthony and Mr. Tang Sim Cheow will retire as Directors by rotation and, being eligible, offer themselves for re-election as Directors at the Annual General Meeting.

Certain particulars of each of Mr. Diong Tai Pew, Mr. Cheung Kwan Hung, Anthony and Mr. Tang Sim Cheow are set out in Appendix III to this circular.

8. CLOSURE OF THE REGISTER OF MEMBERS

In order to ascertain the entitlements to the Final Dividend, the register of members of the Company will be closed from Wednesday, 12 December 2007 to Friday, 14 December 2007 (both dates inclusive) during which period no transfer of Shares will be registered.

Shareholders are reminded that in order to qualify for the Final Dividend, all transfers of Shares accompanied by the relevant share certificate and transfer forms must be lodged with the Registrar no later than 4:00 p.m. on Tuesday, 11 December, 2007.

9. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

Yours faithfully
For and on behalf of the Board
V.S. International Group Limited
Beh Kim Ling
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information as to the proposed Repurchase Mandate.

1. Listing Rules relating to the repurchase of securities

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. Share capital

As at Latest Practicable Date, there were a total of 866,976,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased prior to the Annual General Meeting, the Company will be allowed under Repurchase Mandate to repurchase a maximum of 86,697,600 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

3. Reasons for the repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

4. Funding of repurchases

Repurchase made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 July 2007, being the date of its latest audited consolidated financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. Share prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the twelve months preceding the Latest Practicable Date were as follows:

	Highest	Lowest
	\$	\$
2006		
October	0.295	0.255
November	0.315	0.260
December	0.300	0.255
2007		
January	0.330	0.245
February	0.350	0.275
March	0.345	0.270
April	0.380	0.295
May	0.435	0.315
June	0.530	0.345
July	0.470	0.350
August	0.415	0.250
September	0.460	0.310
October	0.430	0.325

6. The Takeovers Code and minimum public holding

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, V.S. Industry Berhad ("**VS Berhad**") held 371,996,900 Shares, representing approximately 42.91% of the then existing issued Shares. On the basis that there were 866,976,000 Shares in issue as at the Latest Practicable Date and assuming that there will be

no issue or repurchase of Shares prior to the date of the Annual General Meeting, if the Repurchase Mandate were exercised in full, the percentage shareholding in the Company of VS Berhad would increase to approximately 47.67% of the then issued Shares.

On the basis of the current shareholding of VS Berhad, an exercise of the Repurchase Mandate in full will result in VS Berhad becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in VS Berhad becoming obliged to make such a mandatory offer or the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

7. Share repurchase made by the Company

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

8. General

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the Annual General Meeting and exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchase of the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, applicable laws of the Cayman Islands and the regulations set out in the memorandum of association of the Company and the Articles.

As at the Latest Practicable Date, no connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such connected person undertaken not to sell any Shares held by him/her/it to the Company in the event that the Repurchase Mandate is granted.

Pursuant to Article 72 of the Articles, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless voting by way of poll is required by the Listing Rules or a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded:

- (i) by the chairman of the meeting; or
- (ii) by at least three Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
- (iii) by any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or
- (iv) by any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Shares conferring that right.
