PROFIT WARNING

This announcement is made by V.S. International Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the profit warning announcement of the Company dated 28 February 2019 and the voluntary announcement of the Company dated 5 August 2016 (the “**Voluntary Announcement**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company of approximately RMB115 million for the year ended 31 July 2019, as compared to a loss attributable to owners of the Company of approximately RMB9 million for the year ended 31 July 2018.

The increase in loss attributable to owners of the Company for the year ended 31 July 2019 was mainly attributable to (i) a significant drop in the Group’s revenue during the year when compared to the year ended 31 July 2018; and (ii) an increase in provision of impairment of approximately RMB30 million on the fixed assets during the year.

The drop in revenue was mainly due to:

- (i) a significant drop in the amount of orders placed by an existing customer of the Group, which was referred to in the Voluntary Announcement, for the year ended 31 July 2019. The amount of orders placed by the customer declined by about RMB180 million for the year ended 31 July 2019 when compared to the year ended 31 July 2018;

- (ii) the deconsolidation of the results of Qingdao GS Electronics Plastic Co., Ltd. (“**Qingdao GS**”) from the financial statements of the Group since the completion of the disposal by the Group of 90% interest in Qingdao GS in December 2017. The amount of revenue contribution of Qingdao GS to the Group for the year ended 31 July 2018 was about RMB120 million; and
- (iii) an overall decrease in the amount of orders placed by other customers due to the cautious business and economic environment.

As the Company is still in the process of finalising the consolidated annual results of the Group for the year ended 31 July 2019, the information contained in this announcement is only based on a preliminary assessment by the management of the Company of the information currently available to the Board, and is not based on any figures or information which have been audited or reviewed by the external auditors of the Company. Therefore, the actual results of the Group for the year ended 31 July 2019 may differ from the information contained in this announcement. Shareholders and potential investors should refer to the Group’s annual results announcement for the year ended 31 July 2019, which is expected to be published by the end of September 2019, for details of the performance of the Group.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
